

2021/2022 Adopt-A-Letter Donation Program

At Devon Preschool, our goal is to provide children with a fun and positive environment to develop and grow physically, socially, and emotionally. We help prepare for Kindergarten through play experience, educational activities, and following a daily routine, and we foster creativity, a love of learning and curiosity about the world, while helping children build self-confidence, become comfortable in a classroom setting away from home, practice following directions, and develop fine and gross motor skills. Learning can be fun!

The Devon Preschool Experience Program (DPEP) has been an integral part of the community since 1976. Over the years we have helped shape the lives of thousands of children in Devon and surrounding communities by introducing them to the exciting world of education. DPEP is a non-profit organization run by a volunteer board of directors operating on a bare bones budget. Preschool funding is obtained through monthly fees and fundraising initiatives throughout the year, including the Adopt-A-Letter Donation Program. Adopt-A-Letter offers you - as business owners and members of the community – the chance to sponsor a letter and show your support for the preschool so that we can continue to make this experience possible for the children in our community.

Business/Corporate Sponsors

As a valued sponsor, adopting a letter provides an economical and effective way to advertise directly to the parents and families of our preschoolers, as well as the residents of Devon and surrounding communities. Show your dedication to the community and highlight the importance of education by becoming a sponsor of the Devon Preschool Experience Program.
